Part 2

Voice is just one element that makes an effective speech or drama. Think about your favorite storytellers. How do they use their voice to entertain?

Part 3

Now read the article below about using voice. Write down the key information provided by the article on a separate piece of paper.

Part 4

Now let's practice. Find a partner and work on the following scripts.

1. Read the script quietly alone
2. Take notes and highlight what you want to emphasize

3. Read through twice with your partner
4. Record each other. Discuss how you can make your voice more effective
5. Read through one more time
6. Present
